

Proud Heritage. Bright Future.

ROAD CLOSURE

VICTORIA STREET RECONSTRUCTION

FROM 13 MAY – OCTOBER, 2019

The Town is proceeding with the reconstruction of Victoria Street from Gerard Street to South Street to facilitate the replacement of existing watermain and combined sewers, including new curb and gutter, sidewalk, and asphalt paving. A local road closure on Victoria Street will be in place from 13 May through October 2019 with only local access to Victoria Street residents to be maintained.

We solicit your patience and understanding. Parents are urged to advise their children to stay clear of excavations or construction equipment and to use caution when walking in the vicinity of the construction site.

Mark Jeffery, CET, Director of Operations
Town of Aylmer
