

2018 Financial Statements

Every person who filed a nomination paper with the Town of Aylmer to become a candidate in the 2018 Municipal and School Board Elections must file a financial statement even if they did not raise or spend any money and even if they withdrew their nomination.

All financial statements are public documents. The Clerk must retain the statements until the new council takes office after the 2022 scheduled election. The Municipal Clerk is required to make available the financial statements electronically. Please contact the Clerk if you would like a copy of a Candidate's financial statement.
