

Town of Aylmer

Report CAO 13-20

Report Title:	Strategic Plan Update
Submitted for:	February 24, 2020
Report Author:	Jennifer Reynaert, Chief Administrative Officer/ Deputy Clerk
<input type="checkbox"/> Receive for Information	<input checked="" type="checkbox"/> Recommendation

Recommendation:

That Report CAO 13-20 entitled Strategic Plan Update be received for information; and,

That a copy of the report be posted on the Town's website.

Background and Analysis:

A strategic plan update will be provided to Council for information on an annual basis. The attached updated document provides information regarding projects to be undertaken and completed in 2020 supporting the approved strategic pillars of Council. Some of the plans outlined are included as 2020 projects while others have otherwise been deliberated and approved by Council.

Council and staff have been in a position to move some significant projects forward as a result of the support of our MP Karen Vecchio and our MPP Jeff Yurek who have supported our initiatives in 2019 with continued support in 2020. Without the assistance of the higher levels of government the completion of many long-range projects that support Council's strategic plan would certainly be delayed. Of note, Aylmer has received support for additional affordable housing development, standpipe and SCADA refurbishment, release of the highway #3 by-law easement that allows continued industrial growth and traffic signal lights at Talbot and Caverly Road to name a few.

Respectfully submitted,

Jennifer Reynaert
CAO/Deputy Clerk
