

This is a difficult and unprecedented time for all of us. We need to continue to be patient and work together for the common good of everyone. Our staff are working tirelessly to implement all the necessary steps to keep our community safe and healthy. The Town's Emergency Control group meet daily by teleconference to keep our staff and Council up to date with this evolving situation. If you have any questions about Town services, please contact our staff by email or telephone and they will respond as quickly as possible.

We are working closely with Southwestern Public Health and if you have any health questions or concerns please contact them by phone at 519-631-9900 (Toll Free: 1-800-922-0096) or by email info@swpublichealth.ca. Further and on-going health related information and instructions can be found on their web site at www.swpublichealth.ca. Please continue to follow all of the guidelines that they have provided.

While the municipal office remains closed at this time, keep informed through the Town's website www.aylmer.ca.

Please reach out to your neighbours and friends by phone or send them an electronic message to see how they are doing and if they need anything.

Stay safe!

Mary French
