10. Civil marriage ceremonies take approximately between 5 and 20 minutes to conduct depending on the vows selected. Plan to arrive approximately 10 minutes prior to the scheduled ceremony time to allow time to review any final details. Please also be mindful to tell any guests that the ceremony must start on time.
11. The Officiant is responsible for conducting the civil ceremony only and is not responsible for other related activities (i.e. photography, decorating, wedding planning, etc.).
12. When using a Town of Aylmer civil ceremony space, minimal decorations are permitted. The use of decorations that are affixed to the walls, ceiling or furniture are not permitted. Candles, confetti, rice, or bubbles are not permitted.

Civil Ceremony Options

The only legally required elements for a marriage ceremony script are outlined in Section 24(3) of the Marriage Act. In that section it states that during some part of the ceremony, in the presence of witnesses and the Officiant solemnizing the marriage,

- a. Each of the parties to be wed shall declare “I do solemnly declare that I do not know of any lawful impediment why I (name of Person), may not be joined in matrimony to (name of other Person)”; and,
- b. Each of the parties to be wed shall say to the other “I call upon those persons present to witness that I, (name of Person) do take you, (name of other Person) to be my lawful wedded (husband/wife/spouse/partner)”; and,
- c. After the declarations and statements required have been made, the Officiant solemnizing the marriage shall say “I, (name of Officiant), by virtue of the powers vested in me by the Marriage Act, do hereby pronounce you (name of Person) and (name of other Person) to be married.”

No other ceremony is required if you and your partner prefer a basic legal ceremony; however, we have provided the basic outline of a civil ceremony script in this package, along with options for customizing it to suit your personality and needs as a couple. Please feel free to discuss your preferences with your Officiant.
