Dear Resident and/or Property Owner:

Re: **PRE-CONDITION SURVEY
Elk Street Reconstruction
Contract No. OPS 25-PW-03
Aylmer, ON**

We are conducting a survey of property next to the project site to verify existing conditions. This includes your property at no cost to you.

To arrange the survey, call or email as soon as possible:
**Toll free 1-800-667-8263 extension 231 or email appt@ozainspections.com
Indicate your name, address, telephone number and refer to File: 23682
Please advise if we may inspect your building exterior at any time.**

PV EX Construction Ltd. will be completing the above referenced project for the Town of Aylmer. The project will involve the reconstruction of Elk Street from John Street South to Talbot Street East.

This condition survey is important in the unlikely event that issues arise during the construction. Survey involves an interior and/or exterior inspection and documentation of buildings and structures determined to be in close proximity to the project work area. Photographs are taken as part of the survey. While the preconstruction inspection is voluntary, your permission and cooperation in helping us complete this survey as soon as possible is greatly appreciated.

Should you have any questions concerning the project you may refer to the website: <https://aylmer.ca/elk-street-reconstruction/>

Yours truly,
OZA Inspections Ltd
